MOTION FOR ENLARGEMENT OF TIME

MARY E. D'AMICO, CLERK
Per [Signature]

And now, comes Kim Smith a lay person not lettered in legal matters and without the aid of counsel, prays a less stringent standard be applied to this pro-se motion for enlargement of time, avers the following:

Plaintiff is respectfully requesting a 30 day enlargement of time to file his objection to the Correction Defendants Motion for Summary Judgment, until next month. As it is the business office Michael K. Brown has advised me on May 5, 2003 that I will not be able to place my account in the red for legal postage until next month, see the attached exhibit. As it is plaintiff is not sure when and if family will send funds and he has to depend on institutional allowance for legal postage, and had to have filed in these courts document by May 14, 2003 and has exceeded his allowance for postage per D.O.C. policy, as it is stated inmate can only go in red \$ 10.00 per month for legal postage. For this reason it is requested an enlargement of time for mailing reasons.
